An introduction to Swadeshi Academy

Swadeshi Education Trust (SET), a Registered Trust within the state of Assam, started Swadeshi Academy Junior College in Science stream in 1994 and introduced Commerce stream in 1999 to impart modern education to pupils and to equip them to face the challenges of living and working in a world that is increasingly influenced by scientific and technological developments in industry, trade and commerce. The academy is affiliated to the Assam Higher Secondary Education Council, since its inception. With a view to accomplishing its mission the Trust has also started a school section at Hengarabari in its own plot. S.E.T. runs a degree college of Commerce "**Swadeshi College of Commerce**" affiliated to the Gauhati University which is situated on G.S. Road, Ulubari. The Trust helps brilliant and needy students by sponsoring them to continue with their studies.

The then Managing Trustee of Swadeshi Education Trust, Prof. Nareswar Sharma took all the initiative in starting Swadeshi Academy Jr. College, providing all help including land, space, furniture, fixtures and fitting equipments etc. And with the dedication of teachers and other staff, Swadeshi Academy has completed "**Silver Jubilee Year**" of its glorious existence in 2019.

The Academy campus is established at an ideal and convenient place, away from the busy G.S. Road. There are spacious rooms and provisions for all modern infrastructure required by the students and teachers.

The institute's axial emphasis is on career building and promotion of national integration and social harmony through positive formation of character of the young generation without discriminating against caste, creed, religion and gender. The Swadeshi Academy pledges to train students with heart and soul and tooth and nail to make them disciplined, honest, co-operative, good and useful citizens.

It is our endeavour to minimize the holidays and maximize classes.

To make students successful in life the teachers, students and the guardians must perform their respective duties. All of us must try our best to face the challenges of the times in the state, country and the world at large.
